

Job Description

Title: Assistant Technician

Description:

Force Technology Solutions (Force Tech) is seeking a motivated and detail-oriented Assistant Technician Intern. This is a hands-on internship opportunity for individuals pursuing experience in the audio, video, lighting, broadcast, and IT integration fields. The ideal candidate is eager to learn, takes pride in quality work, and thrives in a team-oriented environment.

Force Tech is an engineering and quality driven technology design/build company focused on professional audio, video, lighting, broadcast, IT, and control solutions. The day-to-day life of an Assistant Technician intern could involve, but is not limited to, the following:

- Assisting with in-shop or on-site system builds
- Pulling and organizing cable runs
- Assisting with terminations under supervision
- Supporting on-site installations and service calls
- Helping with job site cleanup and material handling
- Shadowing experienced technicians and learning best practices
- Performing tasks as assigned to support project success

Ideal Abilities:

- Willingness to travel up to 50% depending on project needs
- Comfortable using hand and power tools
- Basic understanding of general construction environments
- Interest in AV, IT, broadcast, or related technologies
- Strong attention to detail and commitment to craftsmanship
- Ability to follow instructions and communicate effectively
- Able to lift 50 lbs, climb ladders, and work in various physical conditions
- Willing to learn from diagrams, drawings, and structured plans
- Reliable and punctual with a positive attitude

Secondary Duties:

When necessary, this position may be required to provide support in other areas of the company. Force Tech is a growing business and many of the employees fulfill multiple roles. No requested task should be considered beneath any employee when it comes to assisting in the bigger picture of the company.

Internship Details:

- **Start Time:** Typically begins at 7:00 AM and ends by 4:00–5:00 PM
Location: Based out of the Greenfield office; some travel may be required
- **Duration:** Internship term to be determined based on availability/school requirements
- **Compensation:** Paid internship — hourly rate based on experience and availability
- **Transportation:** Must have reliable transportation to job sites or office

Benefits of Internship:

- Real-world experience in professional AV and tech integration
- Mentorship from experienced technicians and project managers
- Opportunities to gain industry-relevant skills and certifications
- Potential for full-time employment upon successful completion
